Reciprocity Request Instructions

The Georgia Firefighter Standards and Training Council can only grant reciprocity for ProBoard (NPQ) and International Fire Service Accreditation Congress certificates (IFSAC). In order for these certifications to be accepted, they must have the proper visible and legible seals and certification numbers. Implied seals from IFSAC or ProBoard will not be accepted for reciprocity.

If you have a Department of Defense certificate and you would like to have reciprocity granted, you must go through the Pro Board via their website www.theproboard.org.

After completing the Reciprocity Request Form, please attach a copy of your **certificate** for verification. GFSTC no longer mails ProBoard applications for reciprocity. Please visit www.gfstconline.org and follow the instructions to login and print out your ProBoard applications. If you wish to have your ProBoard applications mailed, please contact the GFSTC office.

Please submit the Reciprocity Request form by either fax or mail to:
