205-1-1-.01 Statutory Authority. Amended

- (a) This Regulation is made and promulgated by the Georgia Firefighter Standards and Training Council pursuant to the authority set forth in Georgia Laws 1971, pp. 693-698.
Authority GA. L. 1971, pp. 693-698. **Administrative History.** Original Rule was filed on December 4, 1974; effective January 1, 1975, as specified by the Agency.
- (b) Administration of Council. The Executive Director of the Georgia Firefighter Standards and Training Council shall administer all rules and regulations of the Georgia Firefighter Standards and Training Council.

205-1-1-.02 Organization. Amended.

- (a) Election of Officers. Officers of the Georgia Firefighter Standards and Training Council shall be elected from a majority of a quorum of the voting members of the Council. At the first regular meeting of the Council held in each even-numbered year, the Council shall elect a chairperson and such other officers from its own membership, as it deems necessary to serve until the Council elects successors.
- (b) Advisory Committee. The Council may designate an advisory committee of not more than three (3) members to assist and advise the council in carrying out its duties. Such additional advisory members shall serve in an advisory capacity only, without voting privileges and shall serve at the discretion of the Council.
- (c) Administrative Assignment. The Council is assigned to the Department of Public Safety for administrative purposes. The Council shall exercise its quasi-judicial, rule making, licensing or policymaking functions independent of the Department of Public Safety and without approval or control of the Department.
- (d) All rules and regulations of the Georgia Firefighter Standards and Training Council shall be administered by the Executive Director **and staff** of the Georgia Firefighter Standards and Training Council whose current physical address is 1000 Indian Springs Dr, Forsyth, Ga. 31029. The current mailing address is 1000 Indian Springs Dr, Forsyth, Ga. 31029. Telephone contact may be made by calling (478) 993-4521.

maintain current certification status. Individual re-certification will consist of two components:

- (1) A demonstration of Council approved and defined core competencies to maintain proficiency.
 - i. The competencies may be based on objectives specified in the applicable National Fire Protection Association (NFPA) Standard and approved by the Council. The recommended list of core competencies is to be developed by GFSTC in conjunction with appropriate state associations, accepted by the Executive Director, and approved by the Council.
 - ii. All non-core exempt individuals are required to demonstrate/perform the specified competencies annually.
 - iii. The local department shall determine the method for completion of the competencies. Methods may include drills, training based scenarios, check-off exercises, etc. The local department shall maintain records of method of completion, including the date, location, persons present, and materials and facilities used to complete the evaluation.
 - iv. The local fire department is to report to GFSTC annually of those individuals who have completed the core competencies by procedure established by GFSTC.
 - v. GFSTC may verify proficiency of core competencies by conducting skills tests at fire departments if 25% or more of the eligible records reviewed are non-existent or incomplete, or at the written request of the Fire Chief.
 - vi. Fire service members may be designated by the local fire chief or his/her designee as core-exempt and are not required to complete core competencies but do have additional annual training requirements.
- (2) A continued training/education component is included to advance an individual's level of knowledge and ability and subject to the following conditions:
 - i. Every non-core exempt individual, in addition to annual completion of core competencies, is required to complete a minimum of 24 hours training at a class/training session accepted by GFSTC.
 - ii. Core exempt staff are not required to complete annual core competencies but are required to complete 40 hours of training at a class/training sessions accepted by GFSTC. The local fire chief may choose not to designate anyone as core exempt and select to complete the same requirements as non-core exempt personnel. Training that is conducted

Comment [LP32]: Edited for clarification. - LP

to meet the re-certification requirements must be conducted in a professional organized manner and meet specific criteria defined by GFSTC. Specifically, the following may be used for certified personnel to accrue continued annual training credit (recertification hours);

(a) Certificates issued by state or national agencies for training that is determined as applicable by GFSTC for the defined level of certification is accepted (Georgia Fire Academy, Georgia Public Safety Training Center, Department of Homeland Security/Georgia Emergency Management Agency, National Fire Academy, The U.S. Department of Homeland Security, The Emergency Management Institute of the National Emergency Training Center, the fire academies of other states, etc.)

(b) Fire Departments that have purchased one of the instructional packages for the basic training manuals approved by the Council and have a qualified instructor may accrue recertification hours. To receive recertification credit, the local training records must be maintained indicating the course number issued by this agency as well as good record keeping practices. Good record keeping practices include the GFSTC course number, a description of the training, course objectives, students' names and signatures, instructor name and signature, with date and times. Training records, including signatures may be developed and maintained electronically.

(c) Classes, courses, and schools developed and delivered locally by qualified instructors may be accepted. The fire chief or his/her designee must submit a completed "Course Credit Request Form" for acceptance. As these courses are accepted, GFSTC will issue a course number. The agency must in turn maintain training records tracking each individual's progress using the course number and good record keeping practices. Training records, including signatures may be developed and maintained electronically.

(d) Fire service associations, other organizations, and private companies, both for-profit and not-for-profit, may also submit a "Course Credit Request Form" for credit for attendees. This agency, will review the proposed content of the course, the instructor's

qualifications, safety precautions if the course content indicates such precautions are required, and such other factors as the Director deems necessary to indicate a positive learning experience. In addition, assurances must be made that training occurs, attendees are present, and the training is applicable for the level(s) of certification credited. Training records, including signatures may be developed and maintained electronically.

iii. Fire Departments are required to report approved continued training/education every two (2) calendar years as determined by Council. **For continuing Certification** Core Competencies are required to be reported annually as determined by Council.

205-3-.03 Modification of Minimum Requirements. As of July 1, 1998, the Council is authorized, by rules and regulations, to establish and modify minimum requirements for all fire departments operating in this state, provided that such requirements are equal to or exceed the requirements provided in O.C.G.A. 25-3-23 (a) and (b).

205-3-.04 Inspection for Certificate of Compliance. Within twenty (20) business days after receiving a completed Compliance Application, the GFSTC staff will contact the head of the agency requesting a Certificate of Compliance for a fire department to establish a date and time to conduct a visual inspection and/or review, and to establish that the department does or does not meet the ~~state compliance requirements.~~ minimum requirements as established by O.C.G.A., GFSTC Rule, and policy.

Comment [LP44]: Edited for clarification. - LP

205-3-.05 Issuance of Certificates of Compliance. Within ten (10) days after the on-site inspection, the application will be reviewed by the Executive Director of the Georgia Firefighter Standards and Training Council. If the department meets all established criteria to the satisfaction of the Executive Director, it shall be issued a numbered certificate of compliance and shall be authorized to exercise the general and emergency powers set forth in *OCGA 25-3, Article 1*. If the department fails to meet any portion of the minimum requirements for compliance, the agency head will be notified of the exact nature of the discrepancy so that corrective steps may be implemented.

205-3-.06 Suspension or Revocation of Certificates of Compliance. The Certificate of Compliance issued by the council shall be subject to suspension or revocation by the council at any time it receives satisfactory evidence that the fire department is not maintaining sufficient personnel, training, equipment, or insurance required by Code Section 25-3-23 or the rules and regulations of the Georgia Firefighter Standards and Training Council pursuant to subsection (d) of Code Section 25-3-23.

Comment [LP45]: Insert number... (a) - LP

The chief administrative officer of any fire department aggrieved by a decision of the Council under subsection (a) of this Code section may, within 30 days of the date of such decision, request a hearing on the matter before the council.

Following a hearing before the council, the chief administrative officer of the fire department affected shall be served with a written decision of the Council announcing whether the Certificate of Compliance shall remain revoked or suspended or whether it shall be reinstated.

The Council shall not suspend or revoke any Certificate of Compliance for failure to meet firefighter training requirements when such failure was due to unavailability of required training from or through the Georgia Fire Academy.

The Council may refer suspensions or revocations to the Attorney General for enforcement. Upon referral from the council, the Attorney General may bring a civil action to enjoin any organization, which is not in compliance with the applicable requirements of this chapter, from performing any or all firefighting functions until such requirements are met by such organization.

205-4-1.01 Hearing Requests.

- (a) A request for hearing is defined as a clear written expression by the affected party or authorized representative on his/her behalf to effect that he/she wants the opportunity to contest his/her case. Said written expression shall be made within thirty (30) calendar days after service of notice of adverse action. For the purposes of notification, mailing by certified mail to the last address specified on the registration form or the last known address of the firefighter or applicant shall constitute proper service.
- (b) Within thirty (30) calendar days after service of notice of adverse action, a firefighter or applicant must, under oath, answer and respond to the notice of adverse action by either admitting or denying each and every allegation presented in the case summary attached to the notice of adverse action

205-4-1.02 ~~Denial and Dismissal of Hearing Requests.~~ Appointment of Hearing Officer. The Council or Hearing Officer designated by the Council may deny or dismiss a request for a hearing for the following reasons:

Comment [LP46]: Edited for clarification. - LP

- (a) It has been withdrawn by the affected party.
- (b) If the affected party or his/her representative fails to appear at a hearing or settlement conference scheduled for such affected firefighter.
- (c) If the affected party or his/her representative does not submit a written request for hearing within fifteen (15) days after service of the notice of adverse action or the affected party does not, under oath, submit an answer to the allegations within thirty (30) days after service of the notice of adverse action.

205-4-1.03 Denial and Dismissal of Hearing Requests. The Hearing Officer (Administrative Law Judge) shall be appointed by the Chief Administrative Law Judge of the Office of State Administrative Hearings (O.S.A.H.) and shall have all the power and authority set forth in O.C.G.A. 50-13, and may preside at any conferences, reviews, or hearings scheduled and/or conducted.

205-4-105 Hearings on Motions to Review.

- (a) Any initial decision of the ~~hearing officer~~ Hearing Officer not identical to the Georgia Firefighter Standards and Training Council’s initial action shall automatically be reviewed by the Council. Any review of an initial decision of the hearing officer shall be limited to the record. In the event either party wishes to present evidence outside of the record, a written request to present such evidence must be filed at least ten (10) days prior to Council review. A description of the evidence must accompany any request and Council reserves the right to deny the presentation of additional evidence.
- (b) Pursuant to O.C.G.A. 50-13-41(e) (3), any initial decision of the hearing officer which is identical to the Council’s initial action shall without further agency action become the final decision of the Council.

Comment [LP47]: Edited to Title Case. - LP

205-4-1.06 Appeals. All appeals from final Council action shall be filed in accordance with Georgia Law.

- (a) A copy of any petition for judicial review brought by a firefighter or applicant shall be provided to the Office of State Administrative Hearings and the State Department of Law simultaneously with the service of the petition upon the Council. A petition for judicial review may be served upon the Council by personal service or certified mail upon the Executive Director of the Council.
- (a) Upon receipt of a petition, the Office of State Administrative Hearings shall compile and certify the record to the reviewing court on behalf of the Council.

~~**PETITIONS TO COUNCIL**~~

205-5-1.01 Petition for Reinstatement of Certification or Reconsideration of Application.

Comment [LP48]: Edited for clarification. - LP

- (a) After two (2) years (24 calendar months) in a revoked, decertified, or suspended status, a firefighter or applicant may petition the Council for reinstatement of certification or reconsideration of application. The written petition must contain the following information:
 - (1) Name, social security number, present address and telephone number of petitioner, and
 - (2) A statement clearly outlining why the petitioner feels that a reinstatement or reconsideration is justified.

- (b) The petitioner must personally appear before the Council. Even if represented by an attorney, the petitioner may be questioned by the Council.
- (c) If a petition is denied, a new petition may not be presented to Council until two (2) years (24 calendar months) have passed from the date of the denial.
- (d) If a petition is approved, the Council has the discretion to condition approval upon any of the disciplinary or corrective measures provided in statute.

205-5-2.02 Request for Waiver or Extension of Existing Requirement.

- (a) Except as otherwise provided by law and for good cause shown, the Council may, in the exercise of its discretion, grant a waiver or waivers of an existing requirement or grant a reasonable period or periods of extension of any requirement imposed under these Rules. All requests for waivers or extensions must be submitted in writing.
- (b) The written request must contain the following information:
