GEORGIA FIREFIGHTER STANDARDS AND TRAINING

INSTRUCTOR II
Equipment-Facilities List

In order to conduct an Instructor II examination for skills, the location must be approved by Georgia Firefighters Standards and Training (GFSTC) in advance. The following equipment and facilities must be available on the date of the test:

	YES	_NO_
1. Appropriate classroom, to conduct a presentation.		
2. Candidate must have access to a minimum of three visual aids. (Power point equipment, chalk board, flip chart, white board, DVD/VHS player, overhead projector and equipment, slide projector, smart board, easel and equipment, physical props, etc.) Students testing at any site should make sure they bring aids with them if not available at test site.		
3. Evaluator must be given lesson plan and lesson plan must be passed, prior to presentation. (Lesson plan will be turned in to GFSTC as part of the test package)		
4. Candidates must use lesson plan they developed during presentation.		
5. Evaluators are not allowed to evaluate if they were part of the teaching process.		

Test Request Procedures and Pre Test Materials

Ten days prior to testing please notify Georgia Firefighter Standards and Training by logging on to our website at www.gfstconline.org and log in under your department to fill out the online test request

Test prerequisite must be filled out with student's name, signed by the instructor, and available for evaluator at test site (www.gfstconline.org) under test prerequisite forms, prior to test date.
